3 Local Republican lady organized two buses to DC, sold out in a couple hours. So we are going to spend a minimum of 15 hours each way to spend 15 hours in the freezing DC streets and I can't wait cause its gonna be wild. POTUS said be there.

3 I highly doubt that airlines, in a time when they're suffering, are going to cancel flights, incur substantially more in costs, substantially lower their revenues, all because of the Democrats.

3 I sure hope not. I ordered my plane ticket the day Trump announced to be in D.C on the 6th and it was only \$170 for round trip at the time. I offered to pay for plane tickets at my family's NYE party but w checked they're going for \$500~\$600 a ticket now, I've been outta work so that's a big nope from n. sadlv..

▼ Have you thought about driving if possible? We seriously need to be in DC on January 5 and January 6.  
Have you looked at taking a bus, or flying in a few days earlier? It's now or never.

▼ It's \$700-\$2000+ right now for me. Thankfully I grabbed one early.

▼ I think you underestimate the power of the Globalists/WEF/Fed who are behind all this.

They will do everything and anything.

They have already used their sway to convince/command a bunch of airlines to institute vaccine passports.

This is no holds barred. Otherwise it all could come crashing down for them.
